## KETCHIKAN GATEWAY BOROUGH PLANNING COMMISSIONER

### GENERAL

The members of the Planning Commission are appointed by the Borough Mayor, subject to confirmation by the Assembly. The Planning Commission consists of 7 members: 4 who reside within the City of Ketchikan limits, and 3 who reside in the Borough outside the city limits. Appointments to City seats on the Commission are recommended by the Ketchikan City Council.

Annual appointments are made at the first Assembly meeting in March. Terms of office are staggered and are for three-year terms. Each year two or three seats are up for appointment. At the first Planning Commission meeting following the annual appointments, the Planning Commission appoints a chairperson from the seated Commissioners. Appointments to sub-committees are also made at that time.

Planning Commissioners are required by Alaska Statutes to file an annual *Public Official Financial Disclosure Statement* with the Borough Clerk.

### MEETINGS

The Planning Commission meets monthly at regular meetings which are scheduled on the second Tuesday of each month beginning at 6:00 p.m. Regular meetings follow a prescribed agenda and Roberts Rules of Order are followed. If needed, a second meeting may be scheduled on the fourth Tuesday of the month.

### DUTIES

The Planning Commission shall prepare, from time to time, plans for the systematic development and betterment of the entire borough as a place of residence and for business. In addition, the Planning Commission reviews applications for conditional use permits, major subdivisions (creating five or more lots), variance requests, and provides recommendation to the Assembly in regard to zoning requests. The Planning Commission serves as the Platting Authority for review of Major Subdivisions specific to Title 17-Subdivisions.

The compensation of members of the Planning Commission, for each regular, advertised meeting attended, up to but not to exceed two (2) such meetings per calendar month, shall be:
